

**Ultrum Original Shampoo-**

Ultrum original shampoo is a flea and tick shampoo which is safe and effective on cats and dogs, and even for the youngest puppies and kittens. It's a luxury shampoo rich in conditioners, to leave your pet's coat healthy and shiny as well and free from all bugs and fleas. It leaves your pets coat and fur silky clean and sweet-smelling.

**Ultrum Ultimate Spray-**

A complete flea and tick treatment for dogs, with instant and prolonged action. It is fast-acting: see the pests falling off as you spray. Its potentiated power means ULTRUM® Ultimate kills 100% of fleas within 24 hours

and keeps killing for weeks, and leaves a pleasant citrus fragrance on your dog. And it has over three months killing activity against flea eggs and larvae. The 100ml pack will give approximately 3-5 applications on small dogs depending on the type of coat. The 200ml pack will give approximately 2-4 applications on large dogs, depending on the size of dog and type of coat.

**Ultrum Powder-**

ULTRUM® Powder can be used on both cats and dogs as part of a flea (and tick) control programme. It can also be used on birds (cage birds and poultry) for control of feather mites, red mites and lice. It is safe enough to be used on kittens and puppies. It is excellent for use in vacuum cleaner bags: sprinkle some in the bag before vacuuming and any fleas or flea eggs that gets sucked up will perish.

**Purl Detangling shampoo-**

Pets shampoo for soft shiny, tangle free coat. Especially formulated for long haired dogs and cats, it conditions coat and hair, while making combing easier. Purl Advanced detangling shampoo has a neutral pH and will not irritate your pet's skin.

**Purl Advanced Show White Shampoo-**

A quality shampoo developed especially for all white-coat dog breeds. Purl Advanced Show White Shampoo contains NO bleach. It contains advanced brightening actives that whiten, and brighten the appearance of white-coated animals. It cleans thoroughly and adds life to your pet's coat. It is gentle on the skin and will not dry it

out. PURL Advanced Show White shampoo will put the sparkle into your dog's white coat. Also suitable for cats.

**Purl Advanced Hypo-Allergenic Shampoo-**

A quality shampoo with low irritant potential, which causes minimal irritation on cats and dogs, and is therefore ideal for pets with sensitive skin. It lathers well and has no perfumes or dyes. Ideal on Yorkshire Terriers, Maltese Terriers etc.

**Panthox- Antibiotic wound spray-**

For the treatment of wounds and topical sensitive skin infections such as lacerations, abrasions, open wounds, dermatitis and foot rot in all animals.

**Pet Screen-**

PETSCREEN is a clear liquid sunscreen agent especially developed to protect vulnerable animals from the sun. It has a quick-drying base, with a broad-spectrum sunfilter of SPF23 and gives broad- spectrum protection from both UVA and UVB components of sunlight.

**Shoo-Fly-**

Shoo-fly is a pleasant-smelling liquid that offers convenient and effective protection against all flies. The spray contains two strong insect-repellent ingredients as well as aromatic oils. It helps repel midges, biting fleas, ticks and other nuisance flies.

**Footsack Repellent-**

Footsack repellent acts as a training aid for pets-helps break pets of their undesirable habits both indoors and outdoors. The spray works for up to 12 hours and combined with suitable training helps pets avoid no-go areas, like furniture, curtains and carpets, or even flower beds. The product must be applied daily by spraying the area concerned.

### **Pet Dent Toothpaste-**

For Good Oral Hygiene Petdent toothpaste is a malt-flavoured dental paste formulated especially for cats and dogs, which prevents the incidence of mouth and gum diseases and bad breath. Its help proven to inhibit plaque formation, odour causing bacteria, and cleans teeth effectively.

### **Laxapet-**

Laxapet is a highly palatable and effective laxative specially formulated for dogs and cats. It is a malt-based gel flavoured with fish oil and is readily accepted by all animals. It softens the stools and lubricates the contents of the alimentary canal, with supplemental vitamins. It is an excellent laxative for constipated animals and is especially effective in the prevention and treatment of hairball impaction in cats.

### **Kitty Milk-**

KITTYMILK is a powdered milk substitute for kittens. The powder compensates as a nutritional supplement and milk replacer for cats and kittens. This palatable, easy-mix formula is similar to cat's milk in fat, carbohydrate, protein, vitamin and mineral content, supplying essential nutrients for kittens to develop and grow in good health. It's used widely in orphaned and rejected kittens, and can also be used as a food supplement for all cats, especially those pregnant, lactating, or geriatric.

### **F10 Germicidal treatment Shampoo-**

F10 Germicidal Treatment Shampoo is a safe and highly effective product for use on dogs, cats and horses as a skin treatment against bacterial and fungal infections. It is an excellent product for treating common conditions and preventing re-infection of pathogens like ringworm (Microsporium and Trichophyton), Staphylococcal bacterial infections and “hot spots”, as well as yeast infections.

### **Bitter Bite-**

Prevents pets from chewing and biting. Discourages pets from chewing furniture and household items; useful at puppy and kitten teething times. It is ideal for applying to bandages to dissuade the animal from removing them after veterinary treatments. Is ideal for use in veterinary clinics, kennels, and catteries and of course the home.

### **Get Off Spray-**

Helps discourage cats and dogs from fouling homes and gardens. It's ideal for indoor and outdoor purposes, and helps pets from marking their territory around your home. It's ideal on doorways, carpets, furnishing, driveways, pathways, patios, lawns, flowerbeds, dustbins, fencepost, etc.

### **Get Off Scatter Crystals-**

Helps discourage cats and dogs from fouling homes and gardens. The crystals are effective in all weather conditions. It's a highly perfumed odour which confuses pet's sense of smell. Over a period of weeks they will be trained to move away from treated areas. Scatter crystals is ideal on concrete, paving, lawns and around plant beds.

### **Flyrid Spray-**

A wipe and spray on fly repellent for protection against house and stable flies. At all times prevent the product from contaminating food, utensils, grazing, drinking water, rivers, dams etc.

### **Wash & Get off Spray-**

Helps discourage cats and dogs from fouling homes and gardens. It helps thoroughly clean and neutralise smells of pet urine, and helps discourage pets from returning to that area. It also helps destroy bacterial odours within 30 minutes and leaves a pleasant citrus aroma for humans. It's ideal to use on carpets, furnishing and anywhere where your pets cause a nuisance.

### **Catnip Herb-**

Catnip entices cats to scratch other items rather than furniture. It helps keep cats entertained outdoors, by scratching trees. Scent can be "stimulated" by rubbing the mint together and rubbing indoors by cats sleeping area.

**Fleairid- Powder for pet bedding and carpeting-**

A dusting powder for control of fleas in areas as indicated. Use in home, kennels, breeding establishments or anywhere else where fleas are likely to breed. Do Not Use On Pets Themselves.

**Tick and Flea Shampoo-**

Shampoo helps kill tick and fleas on cats and dogs, and even for the youngest puppies and kittens. This luxury shampoo is rich in conditioners, so it leaves your pet's coat healthy and shiny. It does not cause any skin irritation. However this product is toxic to fish and bees.

**Novartis-Flego Aerosol-**

An inverted environment aerosol with knock-down action against adult fleas and prevents flea eggs and larvae from developing in to adult fleas with a residual effect. For use in households, hotels, hospitals, kennels, offices, schools, supermarkets, automobiles etc.

**Agita- Granular Fly Bait-**

An adult fly control which is used in stables, poultry, houses, pigsties, dairies, and other forms of building where flies are a nuisance and a health hazard.

**Arnica Ice- Cooling Gel-**

ARNICA ICE™ is a gel-based pain-relieving gel for the temporary relief of aches and pains of muscles and joints associated with sprains, strains, stiffness, or arthritis. It is also great as an aid for cooling out tendons and

overworked muscles in horses (it is especially effective as a pre- and post-workout rub).

**Equiline Conditioning Shampoo-**

Equiline helps promote a healthy and glossy coat on horses. It's Non-toxic and bio-degradable.

**Buzz Off-Fly repellent gel and spray-**

A wipe on and spray fly repellent against home flies. For use on horses.

**Bitch!-Odour masking spray-**

Bitch Spray is an odour masking spray for the female dog when she is in heat. A non-irritant and non-staining aid to help mask odour given off by female dogs in heat. It helps prevent nuisance of male dogs courting her noisily outside your home or following you during walks.
